

## Barksdale Award: Certifications

Please initial each item and sign/date at the bottom of the page. The SMBHC cannot make a Barksdale Award to any applicant for whom these Certifications are missing or incomplete.

I certify that

\_\_\_\_\_ The project I propose to undertake through the Barksdale Award will cost at least \$5,000.

\_\_\_\_\_ Before the end of Spring semester in which I win the award, I will work with a member of the SMBHC staff to ensure that my proposed budget shows project-related expenditures amounting to at least \$5,000. This budget and a copy of this Certifications sheet will be filed with the Financial Aid Office.

\_\_\_\_\_ I will complete my project within the project period defined in the competition guidelines.

\_\_\_\_\_ Within one month of completing my project, I will deliver to the SMBHC a report on the project, including a report of expenditures (receipts will not be required).

\_\_\_\_\_ If project-related expenses fall short of the expected \$5,000, I will reimburse the University for the funding awarded for but not expended on the project.

\_\_\_\_\_ I will be enrolled as an undergraduate and in residence for at least one semester following completion of my project.

\_\_\_\_\_ I will participate fully in publicity related to the Award and my project.

\_\_\_\_\_ Following the project's completion and during the semester(s) I continue on-campus, I will make a good-faith effort to talk about my Barksdale Award experiences to appropriate classes and to local and campus organizations.

\_\_\_\_\_ I give permission for the SMBHC to use my proposal (the 1,000 word essay) or excerpts from it to provide quotes for publicity, and as a model for students applying for the Barksdale Award in the future, future Barksdale Award Selection Committees, or persons considering making gifts to fund similar awards in the future.
